

## Provider Access

Students in years 8-11 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

A provider wishing to request access should contact Mr J Collings, Careers Coordinator on 01489 783473 or [careers@wildern.hants.sch.uk](mailto:careers@wildern.hants.sch.uk).

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents. Please see the events listed above and speak to our Careers Leader to identify the most suitable opportunity for you.

The [school policy on safeguarding](#) sets out the school's approach to allowing providers into school as visitors to talk to our students.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre, which is managed by the school librarian. The Resource Centre is available to all students at lunch and break times.
