All

- Year Group Google Classroom
- Competitions and enrichment activities shared via google classroom
- News First
- Stretch and Challenge area on school website
  - Recommended reads
  - Oxbridge advice
  - Support sheets (from PP UK)
  - PP UK membership log-in shared
- WINK
- Potential Plus UK membership - use latest reading and research to monitor the provision for MAC students
- Continue to use the HLP Best Practice Award audit to monitor and evaluate the impact of MAC provision
- Continue to use latest reading and research (of which there is currently very little accredited research about what makes an impact) to influence the MAC policy, rationale and programme

Teaching and Learning

- CPD: staff meeting - Genius - Wildern Way - guidance sheets
- Learning walks - monitor Teaching and Learning - pick up individual students based on data analysis and audit feedback
- Continue to promote Thinking Hard Strategies
- Continue to share best practice
- Staff Planners: MAC rationale and strategies to support - MAC mats
- Data monitoring: breakfast meetings - quadrant analysis in line with school assessment calendar
- Monitor the progress of Pupil Premium and Disadvantaged MAC students - ensure they get support with trips and enrichment opportunities etc
- Continue to use the HLP Best Practice Award audit to monitor and evaluate the impact of MAC provision
