

Comment

We value your views of our service and would like to hear from you if you have an idea on how we can develop or change the service. We are always open to suggestions and welcome any ideas that you may have as to how we could improve.

Complaint

A Manager will look at your complaint and see if it is upheld. We may need to talk to various people to get information on what has happened, but we will try to finish this process within a maximum of 28 days. We will let you know the outcome of your complaint in writing. If we decide that your complaint is upheld or partly upheld, then we will tell you what we plan to do to put things right.

Compliment

It's great to hear what you think is going well and we would really like to hear from you.

All feedback that we receive is considered when we are changing and developing our service.
