

DAY/jr
23 March 2021

Dear Parents/Guardians

As you are all aware we have been collecting and selling good quality but outgrown uniforms that could be reused by a member of our school community, to this we would also like to add any nearly new school shoes that have been outgrown that you feel our community would benefit from, this initiative not only supports our local community but continues our drive to minimise the impact on the environment by reusing and recycling.

Back in September I wrote to you regarding drop off events on the first Friday of every month, where parents or students could place any donations in the Pre - loved Bin outside the site office, thus minimising the movement in the school due to current restrictions in place.

Now we are back at school I would like to resume these events, the sales have been incredibly popular and we would be grateful of any donations.

The dates of the drop off events will be as follows:

Friday 26th March (Different from the original dates)
Friday 7th May
Friday 11th June
Friday 2nd July

The items will be able to be purchased for a small donation on selected dates, we will confirm these dates in the near future.

If you would like any further information please contact preloveduniform@wildern.org

Mrs D Yates
Charity and Community Co- ordinator
