

Dear Class of 2028

We hope that you are enjoying your last weeks with your Primary School. I'm sure you will also be looking towards September with a mixture of excitement and nerves. We know that moving from Primary School to Secondary School is an exciting time but for some of you, it can also be a little bit scary.

To ensure that your transition to Wildern is as smooth as possible we are busy working away behind the scenes. Please keep your eyes out for regular updates from us as we will be sending information out to you all on a regular basis over the remaining weeks.

Firstly, we would like to share with you some exciting news...

I am delighted to share with you who your Director of Progress and Achievement will be when you start with us in September. Mr C Wood is very much looking forward to meeting you all for the first time on Induction Day. Please [click here](#) to watch a welcome message from him.
