October 2024

Dear Parent/Guardian

I am writing to you as your child has opted to study GCSE Art. I wanted to let you know about the materials and equipment that are required as well as those that would be useful for the GCSE course.

All GCSE students are provided with a good quality sketchbook as well as the materials and equipment required to meet the demands of the course. Many students however, prefer to have their own equipment to use at school and at home, particularly to help when independently completing self-study or coursework tasks. We appreciate that such materials and equipment can be expensive to buy and for this reason, we are **offering the one off** opportunity to purchase materials from the Art department at cost price - please see the 'Art Pack' detailed below.

The Art department offers this service at the cost price of £45.29. **Please note that it is not compulsory to purchase a pack.**

Pupils wishing to buy materials for their GCSE course should complete a payment via parent pay by **Monday 14th October 2024.** After this time we will be unable to process any further orders.

We ask as students move into year 10 that they supply their **own A1 size Art folder** to store their coursework work in. **A1 Folders can be purchased from school as a single item for £5 directly via their art teacher** or alternatively pupils can buy their own from any good art shop. However, these tend to be more expensive.

Yours sincerely

Mrs E Lynch

Art Subject Leader

Art Pack - KS4 Art £45.29
