Dear Parent/Guardian

Antisocial Behaviour Whilst Cycling

In recent weeks we have been made aware by members of our community of Wildern students cycling in an unacceptable, and at times rude manner, endangering themselves and others.

In particular, we have been contacted in regards to inconsiderate cycling on paths, swearing, and cycling which endangers pedestrians. This seems to be a particular issue in the West End area with many descriptions highlighting a young male rider, with a black bike and black helmet of around Year 8 or Year 9 age.

Could we please ask for your support in talking to your children, particularly if they cycle to school, about appropriate and safe behaviour when travelling to and from school to support the work we will continue to do in school to address this.

If there are any further issues, or any other relevant information you would like to share, please feel free to contact us where we will do our best to identify students involved and address these concerns directly.

Thank you for your support.

Yours faithfully

Miss H Jones
Assistant Headteacher
