Welcome to Wildern School

We are really looking forward to welcoming you to Wildern in September. You must be very excited – and a little bit nervous. The transition from primary to secondary school is a new challenge and we will support you every step of the way.

This booklet is designed to help you, and provide answers to some of the questions you may have. Please take time to read it together with your parents and keep it for future reference.

Every individual is important to us at Wildern, and we hope that you will regard it as an honour and a privilege to attend our school.

We trust that your years at Wildern will be happy and successful in every respect.

Welcome from Mrs Oakley - Headteacher

Welcome to your new school. I really hope that you enjoy your day with us today. We have lots of exciting activities for you to do; all of which we hope will support you to make new friends, look around the school site and get your bearings and also meet some of our very friendly Wildern staff.

This is the start of your next five years at school. I hope that today is the start of something very special. Our school slogan 'Every student matters, every moment counts' starts from now; whatever has happened before, the next five years are ahead of you - this is a new beginning and a fresh start! Enjoy every second!

Message from Mr Clissold - Director of Progress and Attainment Year 7

I am so excited to welcome you all to Wildern School and I hope you are equally excited to join us in September. Moving on from Primary school is a big step and it might feel a little daunting. We hope that today offers you the opportunity to see our school in action, and for you to ask any questions you might have. The Year 7 Team is incredibly excited to get to know you as individuals and to help you to discover your passions and talents. At Wildern we have incredibly high expectations which allows you to be the best version of yourself. As a school we offer an immense amount of opportunities both inside and outside of the classroom and I really encourage you to make the most of these. This booklet will help to answer some of the questions you may have about joining us in September and will give you an idea of what to expect on your first day.

WHAT TO DO IF YOU ARE WORRIED

Let's
talk

Your tutor

Your tutor is someone you will see every day when you join Wildern. If you have any questions or are ever worried about anything you can talk to them.

Making Friends

Everyone worries about making friends even if they look very confident. Growing up is a time when friendships can change. It is also an opportunity to make new friends as well as keep the friends you already have.

If you want to make some new friends you could try some of these:

- smile, be friendly and show an interest in other people
- invite someone to sit next to you
- join a club in school or outside of school - it is easier to make friends if you're doing something
- take things slowly - friendships can take time to develop

TRANSITION LEADERS

Transition Leaders

On Induction day you will have some of our Year 8 Transition Leaders with you. They are older students who have been selected to mentor our younger students. They will help you during transition and are always there to support students throughout the school year. If you are ever feeling lonely you can find one of our transition leaders.

"We are Year 8 mentors who will help you to settle in at the beginning of the year."

Transition Leaders

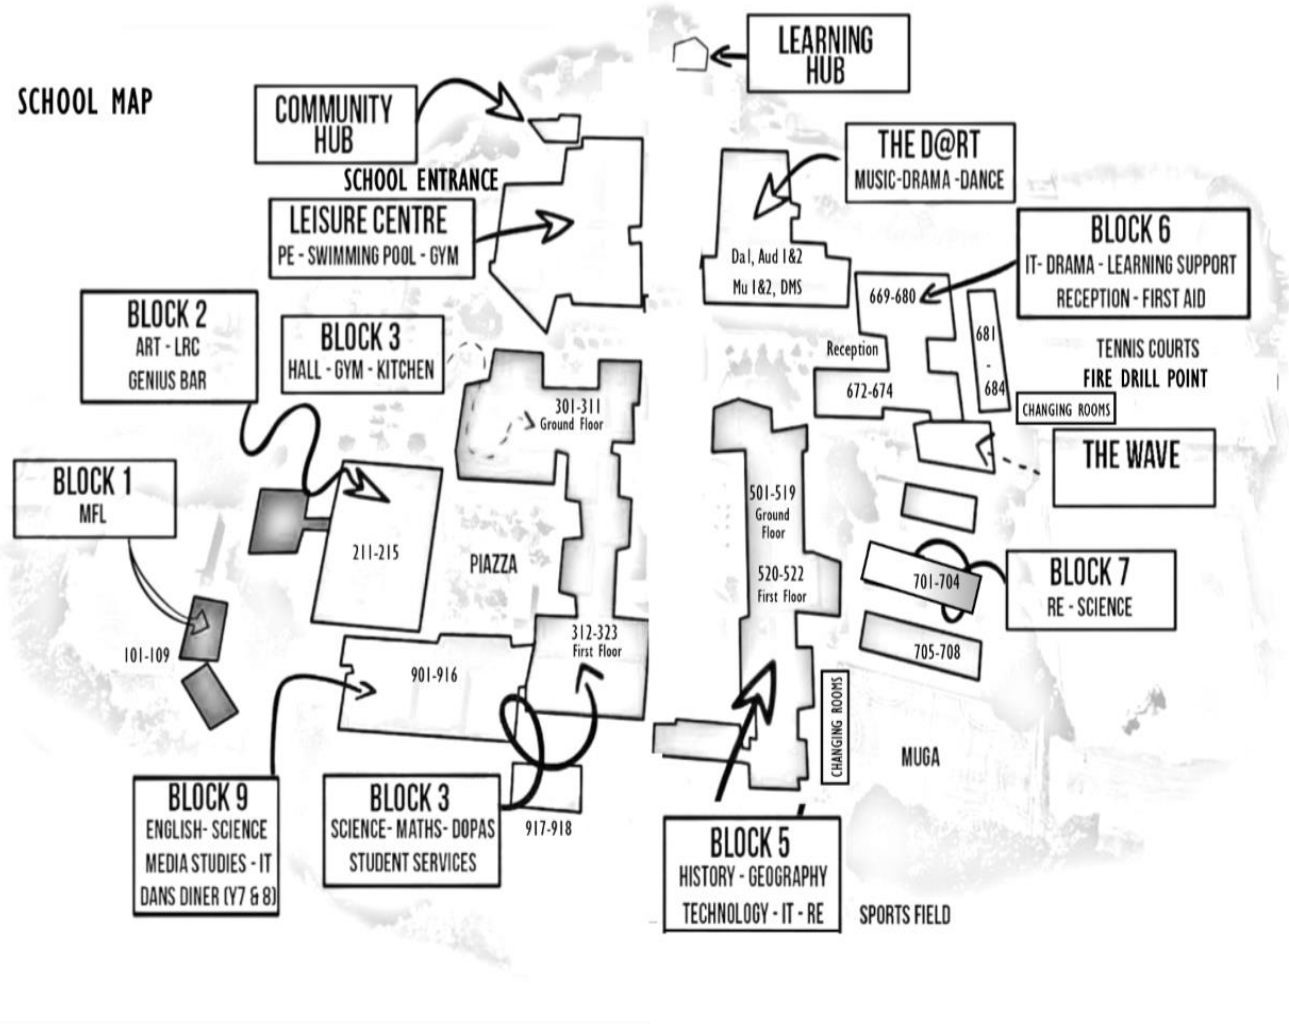

"We can be spotted by our badges so come and speak to us if you see us around."

FINDING YOUR WAY AROUND

It's normal to feel a little bit nervous about something new. You might also be feeling very excited. Remember, everyone will be feeling a similar way to you.

Here is a map of our school site. Don't worry, there will be lots of people around to help you find your way around. Your teachers will understand that it might take you a little bit longer to find your classes at the start.

YOUR FIRST DAY

Friday 2nd September 2022

(If dates/timings/arrangements need to change due to updated Government Guidance, we will inform you and provide you with further information).

ARRANGEMENTS FOR THE FIRST DAY OF TERM:

Please bring with you the equipment you will need to start your first day at school. (Over the page you will find information that guides you with this.) ***You must be in your full school uniform!***

Meet on the tennis courts as you did on Induction Day at 8:30am. You will then be taken to the hall in your Tutor Groups. It is vital that as you enter the hall you are silent; ***the Headteacher and Senior Staff will be expecting this.***

During the first part of the morning you will spend some time getting to know each other again in your tutor groups and then you will start your school timetable. You will be the only year group in school on the first day, which will help you to settle in and find your way around.

When the rest of the school returns on Tuesday 6th September, you will have an earlier lunch time for the first few days to give you plenty of time to buy your lunch before the rest of the school.

We are a Rights Respecting school; our older students will be more than willing to help you find your way around. There will be lots of Year 11 prefects, as well as our Transition Leaders on hand to help you settle in. All staff will also be about to assist you in any way, including helping you find your way around.

TUTOR GROUPS

There are 12 tutor groups of approximately 30 students in Year 7. Each tutor group has a tutor who will stay with their Year 7 tutor group until they leave in Year 11.

Your tutor will meet with you at the start of every day during registration. They will be the first person you see every morning to make sure you start your day positively. They are there to support you socially and academically. If you are ever worried or stuck, your tutor will be the first person for you to go to for help.

In tutor time you will have a different activity to complete every day. This might include, organising and checking your planner, a reading activity, or having a discussion about topical issues in our community and wider world. Once a week you and your tutor group will go to an assembly in the Hall.

Your Director of Progress and Achievement (DOPA), Mr Clissold will work with you right through your school career.

STUDENT SERVICES

This resource is there to support you with a range of issues and respond as required to situations which may occur during the course of the day.

In many instances Student Services is the initial contact prior to speaking to the Director of Progress and Achievement, who will continue to have overall responsibility for you and other students in your year group. The aim is to help parents and carers have a quicker more direct response to issues they may have until the end of Year 11.

COMMUNICATION BETWEEN HOME AND SCHOOL

Your student planner: This is an important way for you, your parents and your teachers to communicate. It contains information about self-study, Eref points, letters home, important dates, examinations, your targets and detentions. It is very important that you bring it to school every day.

Progress and Performance: The school regularly monitors your progress and collates subject and attitude information up to three times a year. This is known as WAD (Wildern Assessment Data).

Parents' Evenings: You and your parents will be invited to meet your Tutor during the Autumn Term to discuss how you are settling in and the progress being made. There will be another parents' evening later in the school year to review your progress with your subject teachers.

SCHOOL UNIFORM

All students are expected to uphold the high standards of the school. This is especially applicable to uniform. It is our belief that if students are appropriately dressed for school, they are in the correct mind-set for learning and the expectations this brings.

If a student is wearing incorrect uniform, they will be told to correct it for the next school day and a mark will be placed on their uniform tracker. Each time a row is completed on the tracker, a sanction is put in place. Should uniform breaches happen on a regular basis, parents will be asked to attend a meeting with the DOPA to discuss a way forward as this is seen as persistent defiance.

School uniform is available to purchase from Skoolkit at 31 Leigh Road, Eastleigh, SO50 9FF or online at www.skoolkit.co.uk.

THE SCHOOL DAY: Every day matters, every lesson counts.

The school day begins at **8.30am** and is divided into 5 teaching periods of 60 minutes with registration and tutor time in the morning.

As we have a large school and there are over 2000 students and staff walking around during the break times, it is very important that you walk at all times. Sports and running games can take place on the hard courts which are open every break and lunch time.

During breaks there will be lunchtime supervisors, supported by members of staff around the school site. If you require any help please see one of them straight away.

THE TIMETABLE

A timetable helps you know where you should be and when.

The school week consists of 25 lessons. Each one is an hour in length. The timetable will run over two weeks and will tell you your lessons for those two weeks. You will notice that not all lessons are the same in both weeks, so read it carefully.

For each lesson the timetable tells you the subject you will study, the room you will be in and the teacher you will have.

This is what a timetable looks like. **(This is only an example.)**

Self Study

Self-study is set frequently with a weekly or fortnightly deadline. In Year 7 and 8 tasks set should take up to 30 minutes to complete per subject area.

Here are some examples of potential self-study tasks at KS3:

- Google Quiz
- Vocabulary learning
- Extended reading with comprehension questions
- Kahoot
- Quizlet
- Practice papers (Self marking)

Self Study tasks are designed to extend your learning beyond the classroom, encourage independent learning and develop the Wildern Attributes. (Determination, Curiosity, Pride, Reflection, Respect and Kindness.) You will be expected to complete self-study tasks and meet deadlines.

Subjects will begin to set self-study tasks to you at different times during Year 7 to ensure you don't feel overwhelmed and have time to adjust to independent study.

September	English, Maths, ICT, Science and MFL vocabulary
December	MFL, Art, Music, Dance and Drama
February	History, Geography, RE and Technology

All self-study tasks will be recorded in your planner but you may also have additional information on Google Classroom. You will be taught how to find the tasks on Google Classroom. If you do not have access to a computer at home you can book and use computers in the LRC where paper will be provided if you need to print.

WILDERN HOUSE CHAMPIONSHIP

The Wildern House Championship is a yearly competition which every student, and member of the school are involved in. The main principle is to promote participation, positive behaviour, and team work across all year groups.

There are six houses in total, and within these students individually and collectively compete to win points for their house. The house at the end of the year with the most points overall wins, and rewards are then given to every member in that house.

Naming the schools houses was voted upon by students and staff who decided to represent Hedge Ends rich strawberry growing heritage and so are named after specific varieties

Heads of House

ALBA	BEDFORD	DRISCOLL	JUBILEE	PAXTON	SOVEREIGN
					
Mr Knight (Orange)	Mrs Thornton (Green)	Miss Jones (Yellow)	Mrs Wheeler (Purple)	Mrs Warner (Blue)	Mr Chance & Mrs Cowan (Red)

Points can be earned in a number of ways; these include e-refs, attendance, and subject specific events. Every subject across the school curriculum has different competitions running that all students can get involved in and contribute points to their house.

House assemblies provide the chance for all members of each house to meet. These will often be partly taken by House Captains from Year 11 who are voted in by their house to be role models and lead the house in its pursuit of victory.

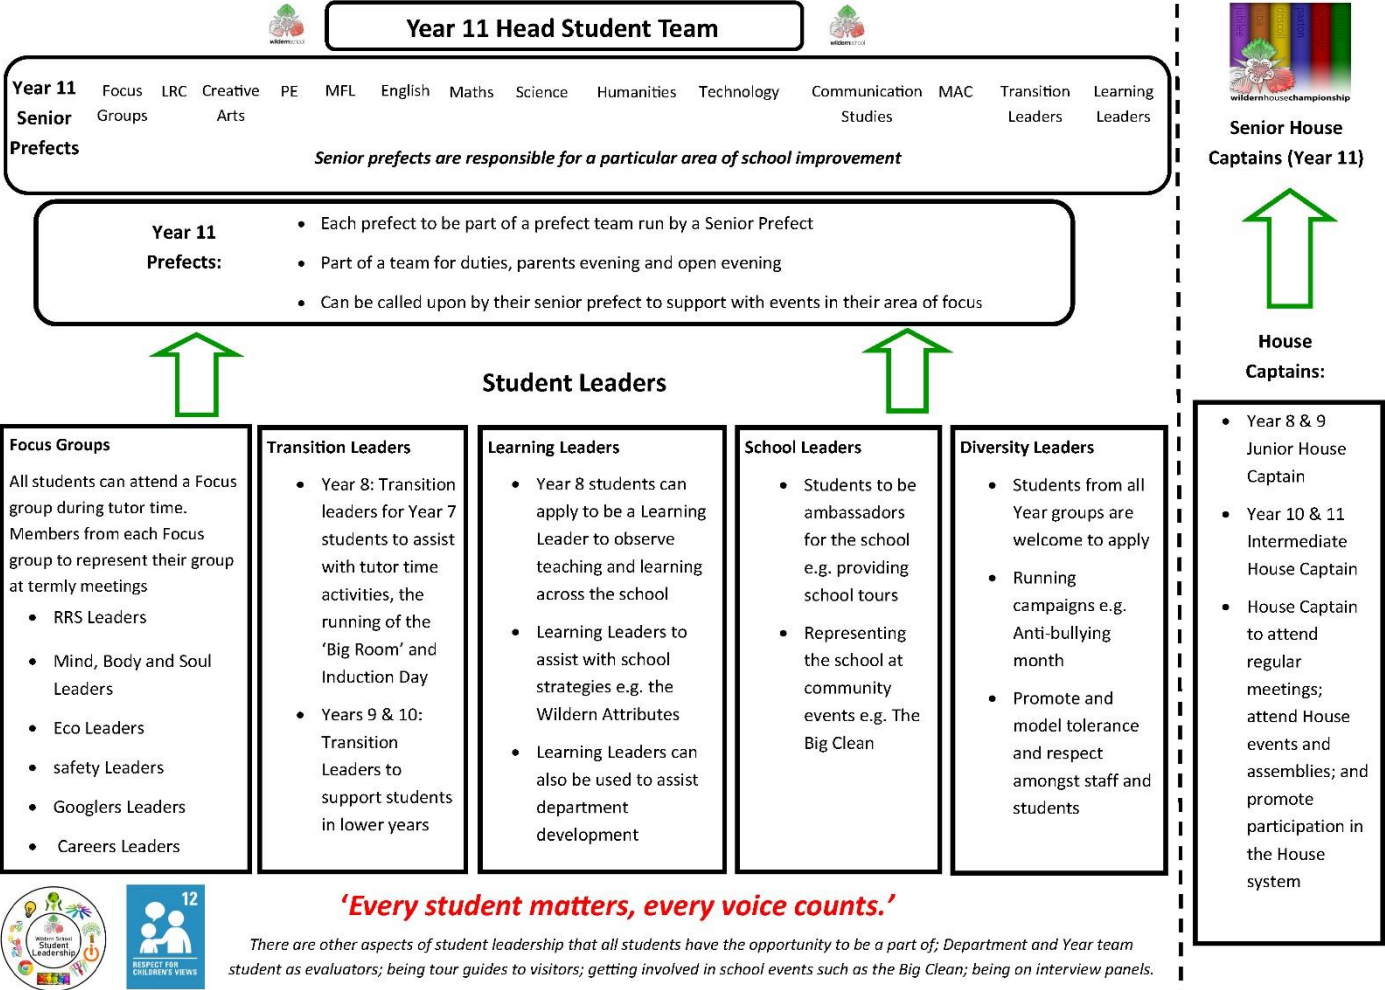

“Participate, Enjoy, and Good Luck!!” Miss Blackwell

STUDENT LEADERSHIP

At Wildern we feel that all students should have a chance to have a say about their school environment and most importantly the learning in the lesson.

Student voice is very important to us at Wildern. There are lots of ways for you to get involved in our community and have your say about what happens in our school.

Here are some of the ways you can become involved in Student Leadership at Wildern.

'Every student matters, every voice counts.'

There are other aspects of student leadership that all students have the opportunity to be a part of; Department and Year team student as evaluators; being tour guides to visitors; getting involved in school events such as the Big Clean; being on interview panels.

Wildern Colours

Wildern colours is an opportunity for students to be recognised for their hard work and determination in both PE and Creative Media.

Half colours will be awarded to those students who have made a commitment to these areas over two years. Full colours will be achieved after 4 years.

For more information on how these can be obtained students should see their Creative and Media and/or PE teacher.

A celebration event will be hosted at the end of each year where these badges (half colours) and tie (full colours) will be awarded.

LEARNING RESOURCE CENTRE (LRC)

The LRC is a great place for you to take out books, read, complete homework, and work on group projects.

Year 7 and 8 have regular English lessons in the LRC. In your first term, you will be given an induction talk in one of these lessons where you will be given more information about how to use the LRC and the opportunity to ask any questions.

The LRC is open from **8am to 5pm every day**, so you can come in before school, at break, lunch or after school. You may borrow or return items during these times.
