Dear Parent/Guardian

### **Re: Year 11 Maths class changes starting January 2025**

We are writing to let you know that after Christmas, some year 11 students will have a class change in Maths. Following the November exams, we have restructured some classes to better support students with attaining a good GCSE grade in maths and focussing more finely on the topics they need to for their tier of entry.

Whilst changes at this stage of Year 11 can be undesirable for some students, we feel this opportunity allows your son/daughter to target topics in a more personalised way for their needs.

As part of this retimetabling and due to other staff changes (maternity leaves, new staff joining and 3 others who are leaving), there will be some changes to students' teachers and classes so we will reissue timetables after the holidays to all students. Please discuss these changes with your child and ensure they have updated their timetable in their planner.

If you have any questions please feel free to contact your child's tutor, Mrs Lomer - Director of Learning for Mathematics, or myself should you prefer.

Yours sincerely

**Mrs N Cowan**

Deputy Headteacher
