Dear Parent/Guardian

Re: Year 9/10 Timetable changes starting April 2025

We are writing to let you know that after Easter, Year 9 & 10 students will have a timetable change affecting the number of hours of study for Science and core PE.

We have been able to appoint a new Science teacher so we have been able to fully restore our intended Science curriculum hours for all students in Year 9 and 10. Time has been made available for this by students having one less core PE lesson a fortnight.

This will support their Science GCSE studies and whilst making changes mid-year is undesirable, we feel that this is a very beneficial change.

As part of this re-timetabling and due to other staff changes (maternity leaves, new staff joining and others who are leaving), there will be some changes to students' teachers and classes so we will reissue timetables after the holidays to all students. Please discuss these changes with your child and ensure they have updated their timetable in their planner.

If you have any questions please feel free to contact your child's tutor, ADOPA or DOPA or myself should you prefer.

Yours sincerely

Mrs N Cowan

Deputy Headteacher
