11 January 2024

Dear Steve

I am happy to advise that the Regional Director has approved your request to reduce the PAN for Wildern School (URN: 136654) in Hampshire from 360 to 300 for the 2024/25 academic year.

As all academies are their own admissions authorities, it is your responsibility to ensure that admissions arrangements are code compliant and that the Academy has the capacity and resources to accommodate any additional pupil numbers, particularly through the transition period.

Please do not hesitate to contact me with any further queries.

Yours sincerely,

Tobi Olusola

Delivery Officer
South East Regions Group
