

(Updated fortnightly)

Risk	Spread of coronavirus infection with the whole school (staff and students) return March
	2021

Although this risk assessment is written to predominantly protect students and staff it also extends wider to consider the safeguarding of all our families where contact is made.

What are the hazards?	Who might be harmed?	What are you already doing to minimise risk?	Do we need to do anything different as the plan begins to work?	Action by whom?	Action by when?	Completed?
Spread of infection whilst signing into school	Staff	 The screens will be cleaned before, during and after school has finished so that they are as clean as possible 		Facilities and Site manager	Every day from March 1st	
		Staff to use their badge to sign in/out using the quick scanners at the		Site team		
		D@rt/Piazza/Block 3/staffroom which doesn't require touching a screen.		Cleaners		
		 If this does not work and they have to touch the screen – staff should wash their 		Housekeeper		
		 hands with sanitiser straight afterwards Use of housekeeper to clean the screens – Reception and Lyceum at least once during the day Facilities and Site Manager to observe protocol is in place. 		Staff in school		
Risk to staff of contracting the infection from exposure to other staff	Staff	Staff subject meetings/tutor sessions/ meetings/break times etc across the half-term Staff are to sit apart from each other Staff are to be reminded of social distancing especially during breaks Staff are to make sure that they wash their hands frequently when touching anything that is shared Even when cold, all classrooms will have windows and doors open to provide		All staff	Throughout the half term	

 ,		
natural ventilation within the room. Coats should be worn if necessary in order to		
 maintain good ventilation. Staff to wear masks in confined areas and or communal spaces where social 		
 distancing is hard to achieve. Staff to wear masks in classrooms when delivering lessons. Staff can use discretion 		
when to remove masks in lessons dependant on 2m social distancing (example whilst talking at the board)		
Staff face to face teaching with students		
 When staff share classrooms, they need to ensure social distancing if both staff members end up crossing over Staff need to wipe down the desk and area that has been used by the other member of staff using the wipes/cleaning products to ensure they are clean Staff to wash their hands with hand sanitiser Even when cold, all classrooms will have 	All staff	Throughout the half-term
windows and doors open to provide natural ventilation within the room. Coats should be worn if necessary in order to maintain good ventilation.		
Free movement from area to area should be kept to a minimum.	All staff	Throughout the half-term

			<u> </u>			
		 Break/times and lunchtimes staff to observe social distancing within their department area. Staff are to make sure that they wash their hands frequently when touching anything that is shared The sharing of food/snacks should be avoided If possible when the weather permits, meetings/chats could be held outside When talking to staff behind a screen, staff should not stand to the side of the screen to talk to the member of staff Staff toilets – ensure that there are no more than 2 people in the area Staff to wear masks in confined areas and or communal spaces where social distancing is hard to achieve 				
Spread of infection whilst staff/students are moving around the school site	Staff	 Free movement from area to area should be kept to a minimum and only to get to a lesson All blocks are one way so that everyone is walking in one direction to avoid contamination Break/times and lunchtimes staff/students to observe social distancing Students to go to their Year Group zones Staff and students are to make sure that they wash their hands frequently when touching anything that is shared Where regulations allow, doors will be propped open to limit the use of door 		All staff and students	Throughout the half term	

 handles etc. Should staff need doorstops, they can ask site team Staff and students wear masks in confined areas and or communal spaces where social distancing is hard to achieve. When outdoors on the school premises staff and students do not need to wear masks 	
 Each classroom will be cleaned before it is opened for the day Classrooms will be set up with numbered tables and all tables facing forwards Students will be told where to sit and this will be their seat for at least the half-term. Seating plans will be kept centrally in PARS and used by all staff in order that should there be positive COVID test with a student; in this way it can be easily seen who has sat closest to the student/staff member Students and staff will use all external doors to classrooms where they are able and follow the one way systems within corridors Students will not line up outside the classroom in corridors but be expected to walk into the room and sit in their allocated numbered chair/table 	Staff and students Facilities and Site manager Site team – locking and unlocking Site team – ensuring cleaning resources are in place Cleaning staff
_	they can ask site team Staff and students wear masks in confined areas and or communal spaces where social distancing is hard to achieve. 		 Staff helping students should follow the procedure above Staff need to ensure that cleaning resources within classrooms are topped up and do not run out Facilities and Site Manager to observe protocol is in place. 	
Spread of infection through sharing resources	Students and staff	 No equipment e.g. pens will be lent to students. Equipment can be bought from the LRC if required. Items borrowed for a lesson from the Genius bar will have been wiped down/cleaned ready for use. Students to sanitise their hands before using these and after Staff will be encouraged not to use equipment/resources that are shared between classes. If this happens then these resources will be cleaned frequently. Equipment such as glue/scissors that maybe lent out, should be wiped down with the wipes provided and/or placed in a 'used' tray to be wiped down after the lesson. Also textbooks can be used with classes but should if possible be kept to Year groups and should be wiped down frequently Sports, Art, Design Tech and Science equipment will be wiped down or left unused for 48 hours/72hours for plastic. Students using ICT rooms will be asked to sanitise their hands on entry and exit to the room. They will be provided with a 	Staff Throughout the half term Students

		wipe to wipe down the keyboard, mice etc after they finish working. Books/work can be taken home for marking if necessary. However if our feedback policy is followed then this should be very infrequent		
Spread of infection for non-teaching staff who are in working	Non-teaching staff	 Individual teams will have individual risk assessments created by their team leader which will be re-assessed fortnightly to the end of the half-term and/or when necessary 	Non-teaching leaders and their teams	
Spread of infection through frequently worn clothing	Staff and students	 Guidance suggests that uniform does not need to be washed any more frequently than normal Students and staff should not leave their belongings lying around and should ensure that they are kept with them at all times 	Staff Throughou the half ter	
Spread of infection through the incorrect wearing/use of masks in lessons	Students	 Students are shared the video giving guidance on how to wear and remove masks. This will help reduce infection through students touching the outside of the mask, face and nose. Students are advised to bring in additional masks and suitable storage for masks when they are not in use to avoid any bacterial and fungal infection from damp masks. Students reminded of the correct use of masks through signage around site 	Students Throughou half term	t
Spread of infection through mixing Year groups across the school.	Students and staff	Guidance suggests that staff can teach across Year groups and across classes. Staff should ensure that they socially	Staff Throughou the half ter

wildernschool De	partme	nt: Whole School Date: May 2	2021	wildernschool
		They will be expected to sanitise their hands after paying.		
Spread of infection when purchasing/eating at break times/before school	Staff	At the present time, only paid duty staff can collect food Staff can pick up food from any area, let the staff know it is for a paid duty and leave from the exit. Staff will be expected to sanitise their hands on exiting the area	Staff Catering staff	Throughout the half-term
Spread of infection whilst walking through the school site on the way into/out of school	Students/ staff	 Students will be asked to leave the site immediately and staff will be positioned along the school site to manage this flow. Students who see their friends will be able to say hello observing the social distancing guidance but to ensure that there are not lots of students on site at once, the expectation is that students leave as quickly as possible. Staff/students to wear masks in confined areas and or communal spaces where social distancing is hard to achieve Students can remove masks whilst outdoors on the premises 		
Spread of infection whilst using the toilets	Students/ staff	 Students have been allocated toilet blocks that are located closest to their zones: Year 7 B5 Year 8 B3 Year 9 B2 Yr 10/11 B6 	Students Staff Housekeeper	Throughout the half-term

Department: Whole School

wildernschool De	epartmer	nt: Whole School	Date: May 2021		wildernschool	
		Duty staff to check toiled to ensure they are not If students have a toiled have the need during led go urgently, the neares can be used. Yr 11 Girls have been a alternative toilets in the centre as of 3/5/21 They should observe the social did tape and use the safety measured times They should wash their hands for seconds/hand sanitise Staff toilets - ensure that there are more than 2 people in the area All toilets will be cleaned through day by the Housekeeper and a signature/time and date added to poster in each toilet Site Manager/Facilities manager that this is completed	crowded. t pass or essons to t toilet llocated e D@rt istancing s at all r 20 re no nout the	Site Manager/Facilities Manager		
Spread of infection whilst travelling to school	Students	 Students to walk or cycle to scho possible Students who use the bike sheds ensure they wash their hands / simmediately afterwards Students should ensure they soci distance whilst walking to and from the students who use public transposensure they know the guidance for distancing whilst travelling 	should anitise ally om school rt need to	Students Parents	Throughout the half-term	

		Te. Whole School But	C. IVIAY ZOZI		
		 Students who use public transport need to ensure that they wear a mask and remove it safely at school unless they want to wear them in the communal areas Students travelling by car should ensure their parents drop them off before the school gate and walk into school Parents should consider using the Park and Stride from the village or B&Q 			
Spread of infection through Visitors/contractors to the school site	Staff and students	Visitors To protect our staff and students, the site is closed unless visitors have an appointment. Visitors to wear masks in confined areas and or communal spaces where social distancing is hard to achieve Visitors will sign in at reception where they will have the expectations explained to them/will be able to read the expectations from the signage Visitors will be asked to hand sanitise their hands before and after signing in Visitors will wait in reception If there is a Fire evacuation, visitors will be taken to the fire evacuation point Visitors are to use the NHS COVID19 track and Trace App to provide contact details. Visitors not wanting to use the App must		Reception staff Site team Staff who are meeting with visitors	Throughout the half-term
		provide this information on paper. Contractors Contractors will sign in at the site office They will have the expectations of the site explained to them

		 Contractors will be asked to hand sanifitheir hands after signing in Contractors will wait in reception If there is a Fire evacuation, contractor will be taken to the fire evacuation point Contractors are to use the NHS COVID: Track and Trace App to provide contact details. Visitors not wanting to use the App must provide this information on paper. All deliveries are taken to a central point Everyone entering and leaving the site to practise social distancing Contractors to wear masks in confined areas and or communal spaces where social distancing is hard to achieve 	ont 9			
Operating fire evacuation and emergency procedures whilst following Government Guidance	Staff and students	 The muster points have changed due to restrictions Students will be informed during their tutor period back of the place where to will evacuate should it be necessary Staff not linked to a Year group and visitors will evacuate to Zone A, the tercourts During an evacuation, students and stamust evacuate through the nearest fire exit – this may mean that they have to ignore the one-way systems There will be no insistence on mask wearing during evacuation as this may cause delay. Masks will be worn inside anyway. 	first hey Inis	Staff Students	Throughout the half term	

		 Within the muster zones, students and staff will line up facing forwards and following social distancing If emergency procedures are required, doors and windows will be closed/locked for the minimum time period required An email to staff will be sent to confirm if it is safe to reopen windows In emergency procedures, staff are to use the wipes/cleaning products to wipe down areas touched in closing doors/windows Staff to hand sanitise their hands after securing the room. Site Manager to observe protocol is in place. There will not be a practice of an evacuation or emergency procedures as this goes against the need to keep Year groups as spaced as possible and/or ventilation in classrooms. However staff need to ensure that they and their students know what to do if we experience either of these Adapting to change in guidance, a pre planned drill will be carried out at the beginning of May that allows for safe evacuation within COVID restrictions. Staff/students to wear masks in confined areas and or communal spaces where 		
1 ·	Students	Staff/students to wear masks in confined areas and or communal spaces where social distancing is hard to achieve This will operate as normal	Students	Throughout
whilst needing First Aid			Staff	the half-term

		 The space is quite small and so students will need to wait outside until asked to enter. Waiting areas will be clearly signed. The door will be left open to maximise ventilation Any student presenting with symptoms of COVID-19 will be moved into a separate space PPE to be worn as and when necessary by the staff working in this space A detailed risk assessment exists for this area Staff/students to wear masks in confined areas and or communal spaces where social distancing is hard to achieve 	Parents	
Spread of infection whilst attending Lateral Flow testing (LFT)8-12 March	Students and Staff	Please refer to the LFT risk assessment for details.		
Supporting students and staff to reintegrate back into Wildern	Staff and students	All support for students will be signposted so that they know where to go/what to do MSS lessons and the tutor programme will pick up key aspects of the pandemic/lockdown and ensure students have had the chance to talk freely about their experience and their concerns Well-being Wednesday leaflets will be sent out monthly for students and parents Student services and pastoral staff to provide additional intervention to support students	Students Staff SLT	Throughout the academic year

		Key information from outside agencies will be shared where appropriate (E.g. School Nursing Team newsletter) Where necessary bespoke individual plans will be written for students needing additional support in their return to school Staff All support for staff will be signposted The members area of the website will continue to be updated with any new information or links			
Ensuring that student behaviour follows the government guidance and keeps everyone on site safe	Students and staff	 Students are expected to follow the school behaviour policy Students who do not follow the behaviour policy will be sanctioned Safe house and detention processes are re-written to comply with social distancing 	Sta	udents Throughout the half-term aff udent services	
Spread of infection from coughs and sneezes	Students and Staff	 Staff and students are reminded to cover coughs and sneezes with a tissue and put it in the bin. Ensure enough tissues are available in each classroom for use. If a tissue is not available staff/students should sneeze into their elbow pit. Housekeeper/site staff wear gloves when emptying bins during and at the end of the day. Facilities and Site Manager to observe protocol is in place. As much as possible observe social distancing protocols with children and minimise physical contact. 	<u> </u>	Te. Wiloic School Be	ite: May 2021			
		 Students and staff should hand sanitise their hands and/ wash their hands frequently Staff will need to make wise choices when falling ill – to decide whether to come into work or not. If any symptoms of coronavirus are presenting before work/school staff/students should not attend Wildern. They should seek advice and if necessary look to being tested 				
Spread of infection from external frequently touched surfaces and resources.	Students and staff	 Staff and students to wash their hands when entering school in the morning After break times all students will hand sanitise their hands on entering the classroom and therefore should reduce transmission of germs from outdoor/PE equipment i.e. Table tennis equipment Ensure soap dispensers/ hand sanitisers have not run out. Inform Site Manager if either needs replacing. Student to wipe their tables/workstations at the start of their lesson if they wish to do so 		Teaching staff Support Staff Students Facilities and Site manager Site team Cleaning staff	Throughout the half-term	
Spread of infection from hand to hand contact	Students and staff	 Ensure good hand-washing protocols are in place for students and reinforce good hand washing. Students are encouraged to use the sanitisers provided No equipment e.g. pens will be lent to students. Equipment can be bought from the LRC if required. See other information regarding this above 		Students Staff	Throughout the half-term	

Spread of infection from items and clothing brought into the school by students and staff	Students and staff	 Ensure that students and staff look after their own belongings Ensure that students and staff wash their hands throughout the day in line with washing protocols Ensure that students and staff take all their belongings home 	Stude Staff	nts Throughout the half-term	
Spread of infection from internally frequently touched surfaces and resources inside the building	Students and staff	 Ensure cleaning staff are thoroughly cleaning the surfaces they are responsible for cleaning to a good standard. Facilities and Site Manager to check that these protocols are adhered to Table tops/workstations are wiped down by students should they wish to each day as a precautionary measure Regularly used surfaces e.g door handles to be wiped down throughout the day by the Housekeeper Staff and students are reminded to wash their hands/hand sanitise their hands regularly Staff using the shared telephones in the offices need to wipe the phone down after use to ensure that the phone is clean for the next member of staff to use when it rings. Shared IT used in offices will need to be wiped down before and after use. 	Site n

Risk of catching other diseases from children who are	Students and staff	Parents to be reminded any children who are unwell should not be in school and of	Parents Throughout the half term
unwell		48-hour rule following bouts of sickness and diarrhea	All staff
		 Parents to be reminded of the Coronavirus guidance 	Students
		 Staff to be vigilant of this rule and inform member of SLT if they have concerns regarding children who are unwell in school 	First Aid
		The First Aid room will be open for students who are ill	
		The First Aiders will be provided with PPE to use as and when it is necessary	
		following government guidance • Children who present Coronavirus	
		symptoms to be isolated in a separate classroom and parents called immediately. First Aid have a Flow diagram of the process to follow	
Risk of contracting the illness through	Students and staff	All staff/students to follow government guidance on social distancing	All staff Throughout the half term
contact with others in the community		 When outside of the home ensure social distancing is practiced. 	Students
		 Staff/students will need to let school know if they have had a track and trace phone 	
		call and whether they are able to have a test or need to wait for 14 days	

Risk of significant threat to members of staff who are vulnerable in the definition provided in government guidance.	Staff	 Staff to ensure that they practice social distancing when completing their work Staff to remain at the front of the classroom Staff to support students who need help individually by standing behind the student (who is sitting down) and explaining Staff should limit the time they spend doing this per individual Staff who are concerned about their safety due to their condition should speak to HR 	_	Staff	Throughout the half term
Managing students who have anxiety issues around returning to schools	Staff and students	 Staff to use the same processes as normal to highlight this situation to key staff within school Students to be offered support through talking to Student services and using their expertise/ELSA/work with the Learning Hub/counsellor Follow the procedures within the school's bereavement policy 		Staff	Throughout the academic year
Managing student concerns around wearing masks in lessons		 Students are provided with WHO video on face masks to watch that demonstrates correct wearing and highlights not to touch the outside of the mask, face or nose to avoid spread of infection. Students only to wear masks in class, communal areas and corridors inside where social distancing cannot be maintained Students to remove masks when outside on the premises. This aids with avoiding 			Throughout the half term as there is Government review at Easter on the wearing of masks.

lethargy and headaches from any	
prolonged wearing.	
Staff to ensure that all lessons have mask	
breaks where students remove masks	
whilst silent. This supports relief of any	
discomfort or claustrophobia.	
To avoid risk of fungal or bacterial	
infection from damp masks students are	
asked to bring spare masks so that damp	
masks can be replaced	
Students who are exempt through medical	
reasons (such as asthma) to be provided	
with an exemption card following	
notification from parents	
All staff are supplied with clear face masks	
so that students who are hearing impaired	
can still maintain visual communication	
and avoid impediment.	
Students who are inappropriately behaved	
towards any other students due to their	
inability to wear a mask through	
exemption will be challenged within the	
schools behaviour processes.	
Students reminded through tutor and	
wellbeing sessions that school is a safe	
place and that they are now used to	
wearing masks daily.
