Dear Parent/Guardian

**Re: The Effective use of Edtech to Support Learning – Thursday 12 December 2024**

**VENUE: Wildern School Hall**

For the past twelve years Wildern School has held a series of Parent Information Evenings, formerly known as WINK's.

Our Parent Information Evening event this month will be held live in the Wildern School Hall from 6pm and will share information about the use of education technology in school. The event will cover how students can use tools like Google Classroom along with other apps and websites to support their learning and self-study. We shall also be sharing top tips around e-safety and supporting your child in being safe online.

**The evening will begin at 6.00pm in the School Hall.**

If you would like to attend the session then please register your interest using the link below to visit the Eventbrite page: [HERE](#)

We look forward to welcoming as many parents as possible to what we hope will be a helpful and informative evening.

Yours sincerely

**Mr D Walmsley**  
Edtech/New Tech Co-ordinator
