

The Learning Resource Centre (Library)

The LRC is open Monday to Friday from 8.00am to 5pm. You may borrow or return items during this time.

Students can borrow up to 4 items (books and DVD's) at a time. Books can be reserved if they are out on loan.

There are several computers in the LRC and everyone has access to them. However, these computers must be booked on the day you wish to use them and are to be used for self-study only.

The LRC staff and a team of student librarians can assist in finding information for projects and self-study. We can also help with book selection and what to read next.

The LRC also has a number of extra-curricular activities and a sample is below.
