

6 April 2022

Dear Parent

We are really excited to be welcoming your child to Wildern from September 2022. We are currently working hard behind the scenes with our local partner primary schools to ensure that the transition process for your child is as smooth as possible.

Part of the transition process is offering an Induction Day for all new students, so they can get a flavour of what life will be like as a Wildern student. This year's Induction Day will be on **Wednesday 29th June 2022**. We ask that students meet in the Tennis Courts by 8.30 am. There will be lots of staff and signs directing students to where they should be on the day. They will then be dismissed at 2.45pm. Students should be wearing their primary school uniform and bring with them a packed lunch and drink. If your child is eligible for free school meals, we will have them available for them should they wish.

We would also like to then invite you as parents back in the evening between 5.30pm and 7.30pm with your child. This will be a good opportunity to have a tour of the school, meet your child's tutor, visit our 'Freshers Fair' where you can see the huge variety of enrichment opportunities that Wildern has to offer. You will be able to sample some of the wonderful catering we have here at Wildern and to ask questions to any of the staff you meet about the school. We will also have our pre-loved uniform for sale should you wish to purchase any items for a donation to school.

Your child will be notified of their Tutor Group prior to their arrival on the day.

We are very much looking forward to meeting you and your child on 29th June; in the meantime should you have any questions please do not hesitate to contact the school.

Yours sincerely

Mrs K Thomas
