## PARENT CONSULTATION EVENING

**Parents' Evenings are an opportunity to talk about your child's engagement and progress with their subject teachers.**

This is our first face to face parents evening in over 4 years and we know you haven't been able to experience this with us before.

There are some top tips below to help us ensure the evening runs successfully:

### PRIORITISE!

Please **prioritise the staff you wish to see**. It may not be possible to have appointments with all of them.

### CHECK THE TEACHER

If there are two teachers for a subject please check with your child which **one** you should be making an appointment with.

### PARK AND STRIDE

With over 100 teachers in school for this, we will not have capacity for parents to park on site unless you are disabled so **please park and stride** instead.

### SIGN IN - D@RT

When you arrive please **sign in at the D@rt** so we know you are on site for your appointments.

### BE PUNCTUAL

A plea for parents to **attend meetings on time** because we have to adhere to strict timings to enable us to stick to the schedule

### BRING YOUR CHILD

Year 11 is an incredibly important year and we ask that you bring your child with you so they can be involved in the discussions.

## AT A GLANCE
