Teacher Training

5 November 2024

Dear Parent/Carer,

### GET INTO TEACHING INFORMATION EVENTS THIS TERM

This second half of term is always a busy one in the run up to the Christmas holidays but we do have a few 'train to teach' information events this term if you are considering a career change.

Teaching is a highly rewarding vocation. Passionate teachers can hugely inspire young people and make a real difference to their lives. It is a career which offers lifelong learning opportunities, progression into leadership, daily challenges and rewards and provides a huge sense of achievement.

If you would like to find out more about our teacher training programme, please visit [here](#) for a full list of our events or click on one of the more local ones below to register:
